#### **DAV Mission**

We are dedicated to a single purpose: empowering veterans to lead highquality lives with respect and dignity. We accomplish this by ensuring that veterans and their families can access the full range of benefits available to them; fighting for the interests of America's injured heroes on Capitol Hill; and educating the public about the great sacrifices and needs of veterans transitioning back to civilian life.

DAV is a nonprofit charity that provides a lifetime of support for veterans of all generations and their families, helping more than 1 million veterans in positive, life-changing ways each year. Annually, the organization provides more than 240,000 rides to veterans attending medical appointments and assists veterans with well over 160,000 benefit claims. In 2020, DAV helped veterans receive more than \$23 billion in earned benefits. DAV's services are offered at no cost to all generations of veterans, their families and survivors.

DAV is also a leader in connecting veterans with meaningful employment, hosting job fairs and providing resources to ensure they have the opportunity to participate in the American Dream their sacrifices have made possible.
